HIDDEN TRAIL BREWING

2010 E Schulman Ave, Garden City, Kansas • (620) 315-4690

Choose a job you love and you will never work a day in your life. That is exactly what 3 long-time friends decided to do. Cody Cundiff, Colin Williams and Michael Cole set out to make their dream a reality. Their story begins in the summer of 2020. While working together, they realized that they shared the same hobby. They dreamed to open a hang-out style brewery, without a kitchen, that focused on beers made in house, an outdoor area, games, and would bring in a rotation of food trucks. That summer was spent touring surrounding breweries in Kansas, Colorado and Nebraska to decide exactly what these friends wanted their place to become.

Next, they would need to find the perfect place to house their dream brewhouse. After looking they settled on an old barn, built in the 1940s with grain auger still intact. The renovated space pays homage to the barn by using salvaged wood for the bar and tabletops. Construction really began the following summer with them doing demolition themselves. In June of 2021 contractors hit the ground running. These friends were very excited to have contractors that allowed them to help as much as possible throughout the process. Hidden Trail Brewhouse was born.

Hidden Trail opened November 24, 2021 and the community has welcomed them with open arms. With a few arcade games, lots of board/card games, and a foosball table, you can bring the family down and enjoy an evening at Hidden Trail Brewing. With live bands, painting classes, book clubs and trivia, there is something happening at Hidden Trails every week. Make sure to follow them on social media to keep up to date on their events.

Discovering the Jaguar: The Water-Loving Big Cat

At Lee Richardson Zoo, you'll find a special pair of jaguars named Kaya and Luna. This mother and daughter duo are frequently spotted near their wading pond where they swim and play with impressive skill. Jaguars are unique among cats for their exceptional swimming abilities. They glide gracefully through rivers and can even cross wide stretches like the Panama Canal, thriving in their rainforest habitats.

Their coats are smooth and sleek, ranging from sandy tan to deep orange, adorned with beautiful black spots shaped like delicate roses. Each jaguar has a unique pattern of spots, much like human fingerprints, helping scientists identify them in the wild.

Not just pretty faces, jaguars are fierce hunters. They stalk their prey silently, using powerful jaws and sharp claws to capture animals like monkeys, turtles, caimans, and fish—sometimes prey twice their size! Jaguars can sprint at speeds up to 50 miles per hour in short bursts, making them lightning-fast predators.

Among the few big cats that can roar, jaguars' mighty roars echo through the jungle, used to mark territory and communicate with other jaguars. Males roar with a deep bark followed by a growl, while females have a unique coughing roar.

As we appreciate jaguars, it's crucial to protect their jungle homes. By preserving their habitats and respecting these magnificent cats, we ensure they continue to thrive in the wild. Jaguars symbolize strength and beauty, serving as guardians of the rainforest and reminding us of nature's wonders.

Make sure and visit Kaya and Luna at Cat Canyon in Lee Richardson Zoo. Lee Richardson Zoo in Garden City, Kansas, is accredited by the Association of Zoos and Aquariums. Our unique Zoo is open year-round, free to pedestrians, and vehicles may drive through for just \$10. Winter hours are 8:00am to 5:00pm.

BUFFALO DUNES GOLF COURSE

Buffalo Dunes Golf Course is ranked as the #2 municipally-owned golf course in Kansas by Golf Digest magazine. It has been recognized by Golf Magazine and Travel & Leisure Magazine as places to play and best bangs for the buck. Challenging, enjoyable and affordable, Buffalo Dunes will give you a little bit of Scottish feel as it is nestled among the historic sand hills six miles south of Garden City. Southwest Kansas offers a 4-season climate and golf can be played throughout the year, weather permitting. Opened in 1976 on land donated by E.C. Brookover Sr., Buffalo Dunes is the host course to the prestigious Dream First Bank Charity Classic. The Epson Tour is known as "the Road to the LPGA." Among the golfing greats who have walked the fairways of the Dunes are U.S. Open champions Steve Jones and Lee Janzen, and British Open champions Tom Weiskopf and Stewart Cink.

For more information, go to www.buffalodunes.org.

GOLF COURSE AT SOUTHWIND

There's a reason for the name at Southwind Country Club. The course was opened in 1980 with one over-riding factor in mind. In southwest Kansas, the wind blows from the south often and hard. Taking that into account, the course was laid out in the rolling sand hills south of Garden City to take advantage of that. It worked! Southwind has become a favorite among touring golf professionals. Every year it is one of the two sites for the Southwest Kansas Pro-Am golf tournament, which is one of the largest professional events in Kansas with a purse exceeding \$80,000.00. (The other site of the Pro-Am is Buffalo Dunes.) Both tour veterans and newcomers flock to the course each year to chase that purse and always swear to return. What they find is a course that requires a firm grasp of golfing fundamentals. The course has plenty of water and sand hazards.

For more information, go to www.southwind-gc.com.

The Epson Tour (formerly the Symetra Tour) is the official qualifying tour of the LPGA Tour and enters its 42nd competitive season in 2022. With the support of the entitlement partner Epson, the Tour's mission is to prepare the world's best female professional golfers for a successful career on the LPGA Tour. In the last decade, the Epson Tour has grown from 15 tournaments and \$1.6 million in prize money to over \$4 million awarded across 20+ events in 2022. With more than 600 graduates and alumnae moving on to the LPGA Tour, former Epson Tour players have won 458 LPGA titles.

The Epson Tour schedule runs from March through September and has more than 300 players competing from around the world. The top-10 players from the LPGA Futures Tour money list earn LPGA membership for the following year.

The Dream First Bank Charity Classic is the Regions only professional ladies golf tournament. Lady golfers from around the world gather in Garden City to battle for the right to earn their LPGA card. The Tournament locally facilitates ladies high school's golf programs in the 22 counties of Southwest Kansas. The Tournament is in its 8th year and has hosted the only back-to-back tournament in the history of the Tour. Several countries and all 50 states have participated in the Dream First Bank Charity Classic!

For more information or to volunteer, call 620-276-0607.

The Southwest Kansas Pro-Am is the longest running professional golf tournament in the State of Kansas. The Southwest Kansas Pro-Am began in 1979 as a traveling tournament. Each year it was held at Dodge City, Liberal, or Garden City, Kansas until it was decided the two beautiful renowned golf courses in Garden City should be the permanent home of the Pro-Am. Two of Kansas' premier golf courses, The Golf Club at Southwind and Buffalo Dunes, play host to this event. Over the years the years over \$1 million has been raised for St. Catherine Hospital's Newborn Intensive Care Unit. In 2023, the Southwest Kansas Open Committee saw the need to help more agencies in Southwest Kansas. They chose three local non-profit agencies to benefit from the Southwest Kansas Pro-Am Tournament. It was a success and look forward to helping more agencies year after year.

True Crime

Solving Notorious Cases from Finney County's History

The True Crime Exhibit at the Finney County Historical Museum is a riveting true crime exhibit that incorporates evidence, artifacts and information showing how local and area law enforcement officers solved the crime spree of the Fleagle Gang, bank robbers and murderers of the 1920s who were once as widely known as Baby Face Nelson, John Dillinger, Bonnie Parker and Clyde Barrow. The exhibit also educates visitors about the infamous 1959 Clutter murder case, which inspired author Truman Capote to produce the acclaimed novel, "In Cold Blood," about the deaths of the Herb and Bonnie Clutter family at the hands of prison parolees Richard Hickock and Perry Smith.

This exhibit showcases forensic evidence from the both cases that was used in obtaining convictions that led to the execution of the perpetrators. The incriminating evidence in the exhibit includes a boot worn by Smith the night of the Clutter murders, which left a print linking Hickock and the wearer to the killings; and car window glass on which gangster

Jake Fleagle left his finger print in the commission of a murder after robbing the First National Bank in Lamar, Colorado. That print, one of the first used in an FBI-related investigation, linked Jake and Ralph Fleagle, as well as accomplices George Abshier and Howard "Heavy" Royston, to the fatal heist.

Additional items were added in 2020 and include the judicial robe and chair used by Judge Roland Tate in the Clutter case, and eight guns wielded by the Fleagle Gang in their decade of robberies and murders. In all, the exhibit includes more than 20 additional artifacts and approximately three dozen historic photographs.

"True Crime – Solving Notorious Cases from Finney County's History," opened in 2018 and is one of more than a dozen exhibits in three galleries of the museum. You don't want to miss this intriguing exhibit.

For information, contact the Finney County Historical Museum at (620) 272-3664.

FULTON HOUSE

The William D. Fulton family moved into this house from their homestead in September of 1884. William and his brother, James, were the first to file on land in (Sequoyah) Finney County in 1879. Located south of the museum, the home was relocated in 2004 from its original location at 404 North 7th. The restored Folk Victorian home is surrounded by period correct floral gardens and filled with period correct furnishings.

Free guided tours are available by calling (620) 272-3664.

SUNNYLAND BED AND BREAKFAST

Sunnyland was the three-story retirement home of David R. and Maretta Menke from 1909 until they sold the property in 1917 to retire in California. David Menke was born in Pittsburg, Pennsylvania in 1948 and married Maretta Urie in 1869. With three small children, Mr. and Mrs. Menke started for western Kansas in early summer of 1878 and arrived in Garden City on August 20, 1878. He opened the first store, was the first postmaster and was also County Treasurer. Sunnyland is a 1909, Queen Anne style, three-story brick home. With its wraparound porch, original woodwork and fireplaces, period furnishings, open stairway and third level ballroom, Sunnyland is a must see masterpiece.

WINDSOR HOTEL

Constructed in 1888 by John A. Stevens, this four-story hotel was among the first buildings built in Garden City. Construction began in March 1887 ending in the spring of the following year. The project cost Stevens nearly \$100,000 and the hotel was built using local materials. The hotel has 125 rooms and even had an access connecting it to the Stevens Opera House which was also built by John Stevens. Nicknamed the "Waldorf of the Prairie", the hotel was reputed to be the largest between Denver and Kansas City. In 1972, the Windsor Hotel was added to the National Register of Historic Places by the US National Park Service. The Windsor closed in early 1977, but you can still see it by booking a tour. Tours are available in the summer months.

HISTORY HIGHLIGHT

Runnels Honors His Son in Unique Way

In the spring of 1967, a tornadic wind swept across Valley View Cemetery in Garden City, uprooting a tree and revealing a hidden tombstone. This discovery brought back memories for older residents, recalling a young boy's passion for cars and a father's heartfelt tribute.

In 1927, Mitchal Runnels, a 15-year-old boy newly arrived in Garden City from Colorado, saved every penny from odd jobs to buy a second-hand 1924 Chevrolet. On a cold February day, Mitchal went to the local auto shop to work on his beloved car, unaware it would be his last visit. After closing, he headed home but stopped to load coal near the railroad tracks. His car got stuck between newly laid rails, and an eastbound Santa Fe Chief train struck his vehicle. Mitchal died shortly after in the hospital.

Six days later, the Garden City Herald described Mitchal as "a good son to his father and mother." His father, George Runnels, salvaged the motor block, determined to create a memorial. Despite living under

an alias to avoid the law, George took the risk to honor his son under their true name. He painstakingly built a concrete slab, mounted the motor on top, and painted it silver.

Shortly after completing the memorial, the family left Garden City. The unique tombstone remains a poignant testament to a father's love and a son's passion, standing in Valley View Cemetery as a lasting memorial.

The original concrete monument, in danger of collapsing, was replaced in October 2022 as a project of the Finney County Historical Society. The engine has been preserved and sits atop a granite engraved monument that tells the story of this remarkable piece of Garden City's history.

For more information about Mitchal Runnels, visit the Finney County Historical Museum at 403 S 4th Street in Garden City, or visit Valley View Cemetery at 2901 N 3rd Street in Garden City.
